

WORLD OF RADIO #945, produced June 17, 1998 by Glenn Hauser

- \*Special WOR segment on AWR Wavescan starts Sunday June 28; also via <http://www.awr.org> and WRN Sun 0700, 1430 UT; AWR Europe 0930 UT Sun on 7230; Mon on ZLXA/2XA; later on other AWR stations and WRMI; is edition No. 183; try TIAWR UT Mon 0000 on 9725, 13750 and 15460
- \*AWR buying three SRI Schwarzenburg transmitters to move to Italy
- \*RFPI's mirror site at [belonging.com](http://www.clark.net/pub/cwilkins/rfpi) is down; use original site <http://www.clark.net/pub/cwilkins/rfpi> including the gh interview, under previous VISTA articles
- \*Added to the WOR website: Oklahoma Broadcasting News, starting with tornado summary <https://www.angelfire.com/ok/worldofradio/Oklahoma.html>
- \*OKC has powerful new Paxnet on ch. 62; UPN about to replace PBS on 43
- \*Broadcasts in English booklet in time order for international SW with all target areas and sites, excluding BBC WS. 4 first-class stamps in UK; elsewhere 3 IRCs or US\$3: British DX Club, 10 Hemdean Hill, Caversham, Reading RG4 7SB, UK
- \*TV stations won't pay qualified engineers decent salary
- \*Drake SW-8 receivers are not all the same; improvements made in 1996 [not 1966!], coverage down to 100 kHz, sometimes called the SW-8A
- \*Radio Shack discounts the clearanced DX-390 another \$10 to \$90; Optimus TV-band radio for \$50
- \*Save Nigeria Broadcasting Service starts via WGTG; used to be R. New Nigeria (recording)
- \*V. of Oduduwa, Ijinle Ohun Oduduwa, new Yoruba opposition service via WHRA (recording), including some English; joined by Igbo and Ijaw programs on other days
- \*W.O.R. 945, Box 1684, Enid, OK 73702, USA. Last week here I said 943 instead of 944. [wghauser@hotmail.com](mailto:wghauser@hotmail.com) fax 1-580-233-2948 attn Hauser. <https://www.angelfire.com/ok/worldofradio>
- \*R. Democracy for Africa awaiting congressional approval, but USIA and VOA ready to go with three languages
- \*R. Botswana heard on 70 MHz band in England
- \*Canadian Forces Network via RCI shutting down at Junend; RCI will QSL for it; schedule, all via Skelton
- \*CBC This Morning, Sunday, summer cut to two hours, with Gzowski conversations during final hour
- \*WRNO's auction procedure; one bid has been rejected
- \*Crisis at Radio Marti, excellent long article at <http://www.miaminewtimes.com/1998/060498/feature1-1.html>
- \*Back after four years, R. Cima Cien, Dominican Republic, on 60m; another D.R. frequency has varied
- \*Muddying the waters about Bonaire transmitter discussion: pulse modulation does not involve anything digital
- \*Peruvian broadcast heard in middle of 40m band
- \*Fiji University communications heard on SW instead of satellite

\*New president of Indonesia allows competitive local news instead  
of requiring RRI relays on the hour  
\*R. Myanmar's English schedule, with inoffensive US pops, news  
\*IBC Tamil service changing frequency  
\*Bahrain's Gulf News Agency press teletype schedule  
<http://www.gna.gov.bh>  
\*V. of Mediterranean, Malta heard via Russia in English  
\*Spain's English schedule  
\*CARACOL, Colombian network in Spanish, on MW from Paris for Cup  
\*Shortwave Relay Service plans extensive pirate broadcasts the  
last two weekends in June  
\*New on BBC WS: The World Lectures; Just A Minute; Multi-Track  
Special Live from Glastonbury; Waveguide; Wimbledon's special  
frequency; World Cup Roundup  
\*Propagation outlook from Boulder, June 16  
\*With a Standard Disclaimer,  
\*Glenn Hauser concluding W.O.R. 945, and hoping you'll hear me  
again next week
